NOTE: The above parts will be received here in our facility for evaluation for return consideration. Receipt by our Shipping Department does not construe an acceptance of a return for credit or exchange. Rather the material will be evaluated for credit or exchange. All parts must be returned in resaleable condition in clean boxes with the original packaging materials. Returns must be shipped freight prepaid with a copy of the original invoice. Material being returned via a private package service must have the customer's name marked clearly on the outside of the box. Material returned in a manner at variance with these conditions will either be scrapped or returned to the shipper at our discretion.
